Děkujeme rodičům za zpětné vazby.

Dobrý den paní Paruchová,
slíbil jsem Vám napsat referenci, ale asi nejlepší reference bude od učitele angličtiny, který učí Vítka v Anglii ve škole „HIGHBURY COLLEGE“
Ed Humphreys :
Vitek shows a very strong understanding of sophisticated and complex English language texts and his fluency is beginning to develop promisingly. He does occasionally lack confidence in his ability and still, at times, makes errors in his writing such as misusing articles such as ‘a’ and ‘the’. However, if he continues with his current level of positive attitude and effort he should continue to improve.
